

STONE® Security Guard Tour System

Guard Tour Solution

Track guard tour patrols in nearly any business environment

1. Impact records
2. Low power reminder
3. 360 degree rubber coat: super durable, rugged enough to withstand 15 meter one time, 3 meter 50 times
4. Waterproof Shockproof: IP67
5. CE & RoHS & BV

Have impact records, supervisors can search who shocks the guard tour system easily.

Yellow LED light on guard tour system and have low power record on the report.
